United Community Bank of West Kentucky, Inc., Morganfield, Kentucky ("Respondent") has been advised that a penalty under the Flood Disaster Protection Act ("FDPA") as amended, 42 U.S.C. §4012a(f), and Part 339 of the FDIC Rules and Regulations, 12 C.F.R. Part 339, may be issued only after notice detailing the violations and an opportunity for a hearing on the record. Having waived those rights, the Respondent and a representative of the Legal Division of the Federal Deposit Insurance Corporation ("FDIC") executed a STIPULATION AND CONSENT TO THE ISSUANCE OF AN ORDER TO PAY ("STIPULATION") dated February 27, 2012, whereby Respondent, solely for the purpose of this proceeding and without admitting or denying any violation of law for which civil money penalties may be assessed, consented and agreed to pay a civil money penalty in the

amount specified below to the Treasury of the United States.

The FDIC has reason to believe that the Respondent has violated the FDPA and Part 339. Specifically, on loans secured by property located in a flood hazard area in which flood insurance has been made available under the National Flood Insurance Act of 1968 the Respondent violated:

- section 339.3(a) of the FDIC Rules and Regulations, 12 C.F.R. § 339.3(a), by failing to maintain flood insurance for one (1) loan; and
- section 339.7 of the FDIC Rules and Regulations, 12 C.F.R. § 339.7, by failing to follow force placement flood insurance procedures for eight (8) loans.

After taking into account the STIPULATION, the appropriateness of the penalty with respect to the financial resources and good faith of the Respondent, the gravity of the violations by the Respondent, the history of previous violations by the Respondent, and such other matters as justice may require, the FDIC accepts the STIPULATION and issues the following:
